RecZone Program Description

Join us for an all-day program that keeps your child safely engaged with their peers while schools are currently not in session. Participants will have the opportunity to engage in a variety of crafts, active activities, games and more! Program is licensed through the MSDE Office of Childcare; specific documentation is required to participate. Participants will have the opportunity to complete virtual learning assignments and work sessions. Temperature checks and health screenings required daily for admission to program.

COVID-19 Guidelines (May change with CDC, State and Local Guidance)

Check-in/Check-out Procedures

- Sign in/out table will be outdoors.
- Staff, parents, and participants must wear face coverings when walking to and from the check-in/out table and when within six feet of another person.
- When parents and children arrive, they should maintain physical distancing when waiting to check-in.
- Staff takes each child into the pavilion/facility/program area.
- Parents should not enter facility – they will be given an information sheet with Director's name, center contact information, etc.
- Pens will be sanitized after every use; although we encourage you to bring your own pen.
- Parents give the staff member stationed at the check-in table the necessary paperwork.
- When parents arrive to pick up their child, they should maintain social distancing when waiting to check their child out.

Sanitization/Cleaning/Facial coverings/Distancing

- All children and staff must use hand sanitizer before and after participation.
- Cleaning staff will clean restrooms daily. Program staff will surface clean (e.g. tables, sports equipment, pens, etc.)
- All equipment will be sanitized before and after each day.
- Strict social distancing and sanitization measures should be followed.
- Capacity limitation of no more than 15 individuals in a group. (13 children + 2 staff – this may change due to changing COVID-19 rules & regulations.)
- Staff and children must wear masks when walking to/from and when inside restrooms and other facility rooms (where applicable) and when within six feet of another person.
- No physical contact should occur.
- No group celebrations, fist bumps, high-fives, etc.
- Staff and children are to maintain a six feet distance between each other.
- A "station" will be assigned for each child to place their bag, water bottle, lunch, etc.

Health Checks

- There will be daily COVID-19 symptom checks for children to include temperature checks (with HCRP head thermometer) and COVID-19 exposure questions, as described by the CDC. If the temperature reads 100.4F or higher, the child is not permitted to stay in the camp/program. A temperature log will be recorded for each child daily and the information will be kept confidential.
- Volunteers/Staff take their temperature daily.
